

DOUGLAS COUNTY CONSERVATION DISTRICT

P.O. Box 688 Franktown, CO 80116 / (303) 218 - 2622 Heather@DouglasConserves.Org

Scholarship 2024

Maximum \$6,000.00

Applicant,

Sustainability of natural-resource conservation practice depends on the next generation learning more and passing those concepts on to their next generation, and so on. We are excited for your journey and thank you for taking the time to apply for this scholarship.

Who Can Apply? Any person who graduated from any Douglas County, Colorado high school.

How does this scholarship work?

1. Applications must be submitted to the District Manager, Douglas County Conservation District via email (Heather@DouglasConserves.org) or mail no later than May 20, 2024.
 - A. Applications are written letters in your voice and from your perspective.
 - B. Your application should describe your major in the natural resource conservation field. Some examples of majors are Agriculture, Agronomy, Horticulture, Environmental Science, Soil Science, Watershed Management, Earth Resources Sciences, Sustainability, Ecology, Natural Resources Management, and many Engineering majors. If no major is defined at the outset of your college journey, please describe your other educational goals as they relate the above majors.
 - C. Applicants must attend an Accredited Post Secondary Institution as defined by the U.S. Department of Education.
 - D. Your application should detail your future educational and professional plans, and how your proposed/current course work relates to the conservation of natural resources from your perspective.
